Memories to last a lifetime

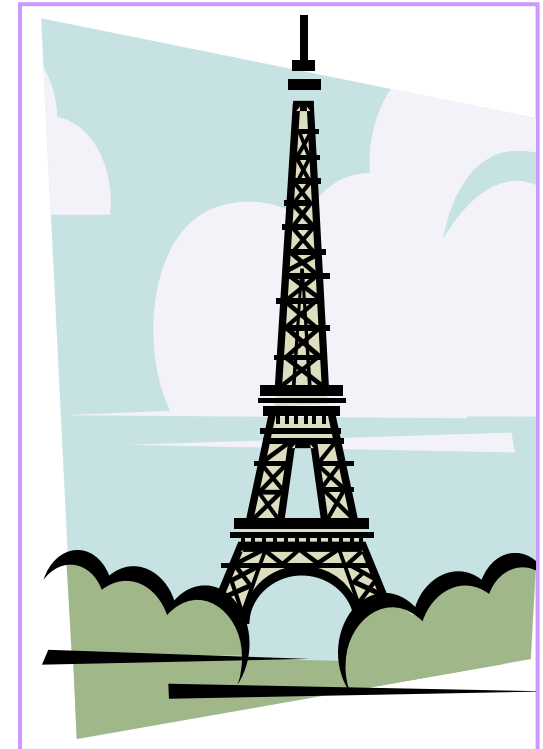

How often have you said, “I wish I could travel and see the world...” but did not have either the time or the money.

Well now, you can experience the world one room at a time at Blissfield Bed & Breakfast.

We have taken a historical home and turned it into a world adventure. Whether you want to stay in a bedroom that makes you feel like your sitting at an elegant Paris café, a whimsical tropical getaway, or a mystical Oriental retreat, we have it all.

You and the other guest will feel like you are in Tuscany when you gather in the common room for an evening of camaraderie and in the morning for a breakfast of unusual treats.
